## Blaze of Glory (\$100 dollar prize)

Light up the green, like dogged lion  
And moving swift, from here to there  
Mars and more, watch me burn past Orion  
Princely gifts, bestowed from wonderland prayer  
My hands can do much, blindsided by fear  
Guardians, a fleet of emotional angelfish  
At peace and alone, a loss without peer  
Do it on your own, bane or burning wish
