

Dexterously

Keeping the edge in swift trickster's den
Repeat offenses by sticky-fingered men
Don't take the fall, the mob in an uproar
Have to get one over to even the score
Foot after foot after foot, try to make a break
Flying return to sender; no voice, no take
Rebellious settlers seeking new land
Playing all the angles, true-blue, fate in hand

Dexterously

Keeping the edge in swift trickster's den
Repeat offenses by sticky-fingered men
Don't take the fall, the mob in an uproar
Have to get one over to even the score
Foot after foot after foot, try to make a break
