

Mellifluous

The hawk would devour, the eagle make song,
The high suit attempt to paint history all wrong
But, they call it the news & fear
With no resistance we might all disappear
Voice of nature, simple, sweet and pure
Worth twice as much when handily secure
An emperor performs in the garden park
Real life follows drama, though not just a lark

Mellifluous (\$50 dollar prize)

The hawk would devour, the eagle make song,
The high suit attempt to paint history all wrong
But, they call it the news I fear
With no resistance we might all disappear
Voice of nature, simple, sweet and pure
Worth twice as much when handily secure
An emperor performs in the garden park
Real life follows drama, though not just a lark
